

# Sacred Heart Catholic Church

**202 West Maple, Frazee MN 56544 June 3, 2018 Website: <http://frazeesacredheart.org>**

Last weekend I attended Mass at St. Luke's Catholic Church, Beavercreek, Ohio. Here is a thought from the homily.

*We cannot approach the Blessed Trinity as an intellectual concept and find in it any lasting meaning. We can approach the persons of the Trinity and fall in love...three times over. Do not think about God. Experience God in your daily life.*

Last weekend I attended the high school graduation of my youngest brother's oldest child, Bennette. Her family simply refers to her as "B." It was an intimate ceremony for about 600 graduates. By the looks of the seating, the number of her classmates who did not show up for the ceremony was more than the total number of my graduating class! There were three speeches and a choral number. The high school band played the processional and the school song. The high school ROTC presented the colors and we sang the Star Spangled Banner and recited the Pledge of Allegiance to the Flag. The valedictorian offered congratulations to her classmates for enduring the stress of high school. She named a few of the stresses, including financial stress. She commented that many of her classmates needed to work in order to pay participation fees and other fees related to their public high school. She talked about students having one or two jobs "just to make ends meet." This was a *times have changed* moment for me.

I participated in a few extracurricular activities. To this day I am unaware of fees associated with those activities. For all of their eleven children, my parents paid the activity fees, meal charges and every other expense of our primary and high school educations. It makes me wonder what other blessings and benefits were showered upon me without my awareness or gratitude.

Bennette was in the first quarter of the graduates to receive her diploma. I watched her leave the stage and I headed to the car. I enjoyed an espresso flavored waffle cone at a locally famous ice cream shop—Graeter's Ice Cream. As my brother endured another two hours of the graduation ceremony in a stuffy college sport's arena, I sent him pictures of ice cream dripping down my face. His response, "You win."
