**The Catholic Home Missions Appeal** will take place next week. One way that this appeal works to support home mission dioceses in the United States is by supporting seminarian formation in poor dioceses. The blessing of seminarians places a financial burden on these dioceses, because educating each seminarian costs \$35-40K per year. Your support is needed for these young men so that they might go back and serve their parishes. Please **strengthen the Church at home** by making a generous gift to next week's appeal.
