The CD of the Month is "7 Secrets of Divine Mercy", by Vinny Flynn. St. John Paul II, Pope Benedict XVI and Pope Francis have made it clear that Divine Mercy is at the very center of the Christian faith. Enter into the Year of Mercy with best-selling author Vinny Flynn as he shares his 7 Secrets of Divine Mercy, along with Christ's message of love for each of us and for the whole world. This CD and several others are available in the kiosk for a \$3.00 donation. This CD program is sponsored by the Christian Mothers.

On December 6, the Christian Mothers will have their annual Brunch and Basket Event. Brunch this year will be Jill's caramel rolls and fruit with a Free Will offering. Brunch will be served after 8:30 am Mass until 10:45 am. The Theme Baskets will be sold at "Silent Auction" with bids starting on December 5, 2015. Please bring your donated basket December 5 - December 6, 2015. Drop off at the Church Hall. If unable to bring baskets on these dates baskets may be dropped off during the week of Dec 1, 2015. Bidding stops at 10:45 am on December 6, 2015. Winners will be notified for pick-up.

Weekend Ministries: In December, training is scheduled for all who assist at weekend Masses. You can find the schedule for this training in the November 15 Stewardship News. Copies were inserted in the November 15 bulletins; additional copies are available in the vestibule and also at the parish website. **Please note that there will be no training for Eucharistic Ministers or altar servers on December 12 because of the NET Retreat.**

Thoughts from last week's homily: *King Henry VII of England had St. Thomas More beheaded when More chose to follow his allegiance to God rather than the King's unholy will. More's last words were: "The king's good servant, but God's first." Does each of us place our allegiance to God first before everything of this world? If so, our daily pledge of allegiance should begin, "Our Father who art in heaven, hallowed be they name..." You know the rest; pray it multiple times daily.*

Here are some more thoughts from [Protecting Your Family Online: A Parent's How-To Guide](#).

Your Parental Checklist

- Use it:** Give everyone in your family a unique Covenant Eyes username, and install it on all your devices. Then start having open discussions about how the Internet is used in your home.
- Keep Learning:** We've barely touched the basics of all the dangers you and your kids face online. You can learn more by following the Covenant Eyes blog at www.covenanteyes.com/blog, or by downloading free e-books like *Accountable Kids*, *When Your Child is Looking at Porn*, and *Your Brain on Porn* from www.covenanteyes.com/ebooks.
- Share Your Knowledge:** The Internet in your home will be safe...but what about the homes of your kids' friends, or other people in your church?

Talk to the parents of your children's friends about these things. You might secure your home, but your child is only as safe as his or her friend's home. Ask other parents what they are doing to lock down devices. Share our free e-books with them, and tell them how using Covenant Eyes has impacted your family.

You might want to host a special training event for the people you know! Get a parent workshop kit at www.covenanteyes.com/unfiltered.
