Here is a thought from last week's homily, *If you are jealous of things, you must work hard to be grateful every day for what you have and it will be healing for you to set out to live even more simply.*

The Formation of our youth

I googled "release time Minnesota" and found some interesting information provided by the Department of Natural Resources and trout, and the Department of Corrections and prisoners. Nothing came up regarding the release of kids from school during school hours for religious education! I want to thank Frazee Public Schools for facilitation another year of release time and Anderson Bus and Coach for providing transportation for the kids on Wednesday afternoons. Release time is an amazing opportunity to share the Good News of Jesus Christ and the Catholic faith with area children. Thank you to all the catechists who will be assisting with release time this year.

Thank you to Cheryl Stegmaier for coordinating the religious formation of your youth and for all the catechists that will be assisting with the effort this year. As for me, I am very much looking forward to getting to know the kids of the parish and growing closer to Our Lord with them.

Window Fundraiser

For many weeks we have been having regular meetings of the committee organizing the dinner event to raise money for the preservation and restoration of our priceless stained glass windows. The experience of this committee has been wonderful--I am thoroughly edified by the spirit of cooperation and good will that exists in the parish. Thank you to all of you who have been working together and very hard to see that this event is a success.

Tuesday Exposition of the Blessed Sacrament

As of this week we are extending our weekly exposition of the Blessed Sacrament by an hour. It will now conclude with Benediction at 6:45 PM. If there are 7:00 meetings scheduled in the parish I encourage the members to come to Benediction as the prayer portion of the meeting.

The CD of the month is *So Help Me God, The Promise and Power of the Sacraments* by Dr. Scott Hahn. In this dynamic talk, Dr. Scott Hahn explains the importance of oaths, which invoke God's name and implore His assistance. He shows that oaths are the means of transforming our personal relationship with Christ into a covenant relationship. Dr. Hahn then connects oaths to the seven Sacraments, unveiling their mystery and importance. He reveals how the Sacraments don't make holiness easy, but they do make it possible.
