

# Assumption Catholic Church

206 Dakota Street, PO Box 67, Callaway, MN April 22, 2018

Here is a thought from last week's homily: *Let us humble ourselves so that others know we have accomplished nothing by our own will and strength. Jesus makes life-giving bread from the crumbs of our lives. He has opened the door to paradise.*

I have been a little unsettled by my mother's collapse last week. She was combing her hair in the bathroom, as she does every morning, and collapsed. She crashed into the bathroom vanity. Suffering only a bruised forehead, black eye, sore neck, sore leg and shoulder—she is fine! By the time you read this she will have had an appointment with a cardiac electrophysiologist. This medical specialty focuses on the heart's timing. Mom's heart is beating too slowly.

When I was a kid, my dad used to talk about the end of his life. He used to say, "I will live until I am 88 years old." He died when he was seventy. This year Mom is 88! Who knows what to make of all that?

Speaking of Dad, do you remember that Dad owned and managed a car dealership? For my entire life at home, neither Mom or Dad owned a car. They drove cars from the dealership. Mom would have a car until there was a perspective buyer, then it would be reconditioned, and she would get another. Still today, it seems odd for me to "own" a car and to drive a car for more than a month! The summer Dad died, Mom bought a new car. It is a 2001 Mercury Sable and is a rusted old car today. I am sure it is the last car she will own. It has about 60,000 miles on it. Today she has trouble with the battery, because she does not drive it enough. Maybe the car needs to see an electrophysiologist.

It seems that I have enough excitement in my life to keep my heart rate at a normal pace. Thank you for all you do to keep me electrified!

Health Resources, Detroit Lakes, provides free pregnancy tests, ultrasounds and education for pregnant and parenting families to support them in making life-affirming choices. Health Resources is a safe, non-judgmental place for people to discover their value and realize new hope for their future. Health Resources is having a month-long baby shower in April, seeking donations to help serve those who need it. There is a bulletin insert today with further information about this project. Assumption will have a drop-off box next in the Fellowship Hall for you to deposit the gifts you bring. We will collect them throughout April, and Colleen Schmit will deliver your gifts to Health Resources at the end of the month. If you prefer to donate cash, place it in an envelope labeled Health Resources and drop it in the collection basket.

**Question of the Week: In what ways can the Holy Spirit give me wisdom and courage to speak and act regarding issues in the world, in our country, in my community?**

**PRAYER REQUESTS:** A PRAYER TO PRAY FOR THE PEOPLE BELOW:

Lord, we pray for your loving support for the people listed below and their families as they deal with their illnesses. Guide the doctors who are seeking answers and making decisions about care/ treatments. We pray that their illness is at a stage favorable for effective treatment. Enable their bodies to respond well to care/treatment and their soul to experience comfort and peace in you. Make this an experience that draws them and their loved ones closer to you as well as to one another. We commit them to your mercy. Amen

*"I am the good shepherd...and I lay down my life for the sheep...and they will heed my voice."*  
John 10:14-16

*When you pray, do you only ask Jesus for the things that you want? Do you ever ask Him what He wants from you? How do you listen for His response? Usually, the answer is in "quiet whispers." So take time every day, in silence, to actively listen for His response.*
