

# Assumption Catholic Church

206 Dakota Street, PO Box 67, Callaway, MN

August 19, 2018

Here is a thought from last week's homily, "...a church should look like a church and smell like a church!"

Never does a wedding go according to script. There is always a surprise. We practice with the flower girl to gracefully walk down the aisle as she drops rose petals for the bride. Then, during the ceremony, mid-aisle she decides to adjust her dress, wave to grandma and sit for a break because she is tired. This or a thousand other things can happen. My goal is to practice well and then accept with joy whatever comes.

Picture what happened recently: the groom is standing in front of the church waiting for his bride. She comes with her daddy. The groom was SUPPOSED to take her hand and walk with her the short distance to the altar. Instead...they collapse into each other's arms...and cry...for a long time.

This was beautiful and could not have been rehearsed. "This is why a man leaves his father and mother and clings to his wife, and the two of them become one body."

In good times and in bad, run into the arms of your spouse. There is no better place to share joy or to rebuild failure. In sickness and in health, collapse into the arms of your spouse. There is no better place to praise God for every gift or to live the mercy of faith.

It is always true that love can bear all things. It is a choice to run into the arms of your spouse, even when you are fearful or ashamed, and allow love to believe, hope and endure.

This is a lesson for all of your married life; practice well and then accept with joy whatever comes.

**Question of the Week: What can I do to show others that I have advanced in understanding and that Jesus remains in me?**

**PRAYER REQUESTS: A PRAYER TO PRAY FOR THE PEOPLE BELOW:**

Lord, we pray for your loving support for the people listed below and their families as they deal with their illnesses. Guide the doctors who are seeking answers and making decisions about care/ treatments. We pray that their illness is at a stage favorable for effective treatment. Enable their bodies to respond well to care/treatment and their soul to experience comfort and peace in you. Make this an experience that draws them and their loved ones closer to you as well as to one another. We commit them to your mercy. Amen

*"Watch carefully then how you live, not as foolish persons but as wise..."*

*Ephesians 5:15*

A wise person recognizes that all we have and all we are comes from God. A wise person thanks God continually throughout the day for all His many blessings. A wise person realizes that God has blessed us for a reason and that He wants us to help Him build His kingdom of earth.

**Safe Environment 2018/19:** It is time to renew Safe Environment Certifications. If you work/volunteer for the Assumption Parish with either youth or vulnerable adults, this certification is required by the Diocese and must be completed every year. Go to: <http://www.crookston.org/secertification> to complete your certification online. If you do not do it online, get a hard copy of the information and test component from Marlys. Let's everybody get this done by August 31. It creates a bookkeeping snarl if everyone does not do it by then; besides, Marlys hates having to be a nag!!!
