*"Therefore, stay awake, for you know neither the day nor the hour."*

*Matthew 25:13*

Many of us have put off doing something because we think we are too busy. We've all said, "I'll do it later when I have time." Unfortunately, too many of us apply this attitude to our Faith. Jesus' call is urgent, in the here and now, in your current circumstances. Don't delay. How is God calling you to use your gifts today? None of us is guaranteed tomorrow.

Here is a thought from last week's homily, *Christian hope is unique because it is spoken by the Word of God, and the Word of God is Truth.*

Last week I walked a half mile of the new segment of the Heartland Trail. It is the segment between the Highway 10 and Acorn Lake. It was exciting to see the fruits of a whole summer of construction. In light of COVID, I am told that there has been an uptick in biking. I wonder if this will remain true next summer? Sometimes we do things to cope with stress and anxiety. Biking would have been a wonderful and healthy escape from the indoor isolation we experienced in 2020. Only time will tell if this was a passing strategy to cope, or a renaissance for bikers and new bikers everywhere.

I am well aware that I write this on the morning of election day. To think about biking and new trails is itself a way of coping. Like many of you, I have experienced anxiety in this season of political campaigns.

Christian hope is a gift to us. We are citizens of the heavenly kingdom. No matter who Caesar is, we give to Caesar what is Caesar's, and to God what is God's. Jesus, we trust in you. Jesus, we trust in you. Jesus, we trust in you.

The office has Cannon Ink cartridges in Magenta, Yellow and Cyan—1 of each color—that do not work in our copier. If you want them for \$7 apiece, send Carol Zurn a message.

**PRAYER REQUESTS: A PRAYER TO PRAY FOR THE PEOPLE BELOW:**

Lord, we pray for your loving support for the people listed below and their families as they deal with their illnesses. Guide the doctors who are seeking answers and making decisions about care/ treatments. We pray that their illness is at a stage favorable for effective treatment. Enable their bodies to respond well to care/treatment and their soul to experience comfort and peace in you. Make this an experience that draws them and their loved ones closer to you as well as to one another. We commit them to your mercy. Amen
