Fr. David's Homilies—[frazeesacredheart.org.Homilies](http://frazeesacredheart.org/Homilies)

St. Bridget of Sweden was the most celebrated saint of the Northern kingdoms, born about 1303; died 23 July, 1373...She believed that Christ Himself appeared to her, and she wrote down the revelations she received from him, which were in great repute during the Middle Ages... She accomplished the greatest good in Rome...by her pious and charitable life, and her earnest admonitions to others to adopt a better life, following the excellent precedents she had set in her native land. The year following her death her remains were conveyed to the monastery at Vadstena. She was canonized, 7 October, 1391, by Boniface IX.

The Twelve-Year Prayers of St. Bridget on the Passion of Jesus: These prayers, given by Our Lord to St Bridget of Sweden, are to be prayed for twelve years. Our Lord promised to all who pray them the five graces listed below:

1. The soul who prays them suffers no Purgatory.
2. The soul who prays them will be accepted among the Martyrs, as though he had spilled his blood for his faith.
3. The soul who prays them can choose three others whom Jesus will then keep in a state of grace sufficient to become holy.
4. No one in the four successive generations of the soul who prays them will be lost.
5. The soul who prays them will be made conscious of his death one month in advance.

If the supplicant should die before completing the 12-year prayers, our Heavenly Father will accept them as having been prayed in their entirety, as the genuine intention was there.

Multiple popes, from as far back as Pope Clement XII in the 1730's until Pope Benedict XVI, validated our Lord Jesus' apparitions to St. Bridget of Sweden and the prayers he gave her.

PRAYER REQUESTS:

A PRAYER TO PRAY FOR THE PEOPLE BELOW: Lord, we pray for your loving support for the people listed below and their families as they deal with their illnesses. Guide the doctors who are seeking answers and making decisions about care/ treatments. We pray that their illness is at a stage favorable for effective treatment. Enable their bodies to respond well to care/treatment and their soul to experience comfort and peace in you. Make this an experience that draws them and their loved ones closer to you as well as to one another. We commit them to your mercy. Amen

We will all have that day when we are standing before God and our life is played out like a movie. When this happens and God asks each of us, "What have you done with the gifts that I have given you?" How will you respond? The good news – it's never too late to live a grateful and generous lifestyle.
