PRAYER REQUESTS:

A PRAYER TO PRAY FOR THE PEOPLE BELOW: Lord, we pray for your loving support for the people listed below and their families as they deal with their illnesses. Guide the doctors who are seeking answers and making decisions about care/ treatments. We pray that their illness is at a stage favorable for effective treatment. Enable their bodies to respond well to care/treatment and their soul to experience comfort and peace in you. Make this an experience that draws them and their loved ones closer to you as well as to one another. We commit them to your mercy. Amen.
