While Genesis 2:15 is often translated, as “The Lord God then took the man and settled him in the garden of Eden, to cultivate and care for it,” I like another way to translate the last part of the verse: “to grow and to guard it.” Both ways are good translations, but this second way gives me a greater sense of what I am meant to do with what God has entrusted to me. As I think about it, I realize that God has entrusted me to my care. Yes, God is my Father and He cares for me. But He also gives me the freedom and the responsibility to cooperate with Him in my own growth. God wants me to grow and to guard myself, with the ultimate goal of being in union with Him. So how do I grow and guard myself so that I am continually growing in union with Jesus? What helps me approach this task is to break it down into time frames. I want to do something every day, every week, every month, and every year. There may be more than one thing that we come up with to do, but we want at least one thing for each time frame. Every day, I can spend time with God in relational prayer, hearing His voice and sharing what’s on my mind and heart with Him. Every week, I can gather with my brothers and sisters at Mass to hear the Word of God, offer my joys and sufferings on the altar, and receive Jesus Himself in Holy Communion. Every month, I can receive the mercy of God in the Sacrament of Reconciliation, being healed and restored through His kindness and forgiveness. Every year, I can take some intentional time to go on retreat, so that His grace can reach more deeply into my life and accomplish a greater renewal in me. These are the standard practices I try to follow each day, week, month, and year. We can increase or add to these as it seems appropriate or as the Lord invites us. We can include an intentional act of charity along with that relational prayer. We can go to Mass more often in the week if our schedule allows. We can go to Confession every other week if we find ourselves struggling with some sin in our lives. We want to start somewhere, though, and grow from there...

October is Rosary Month

During the month of October we will be saying the Rosary at 10:05 each Sunday. We are hoping the many of you will join us as we pray to our Blessed Mother.

ANOINTED AND COMMISSIONED

By now you're familiar with the difficult reality that 7 in 10 Catholics do not know the truth about the Eucharist. The very source of our strength has become chronically overlooked and misunderstood.

No wonder the world is hurting! How the Church responds at this moment in history is pivotal.

The National Eucharistic Revival is a movement to restore understanding and devotion to this great mystery here in the United States. But we aren't called to keep this Good News to ourselves! This Revival seeks to unleash new missionaries to bring the healing presence of Jesus in the Eucharist to the margins.

Before every great mission in the Bible, there was a commissioning, anointing, or outpouring of the Holy Spirit. At the National Eucharistic Congress, God will anoint our Church for a new season of Eucharistic mission.

From July 17-21, 2024, the Church in the United States will gather in a new "Upper Room," boldly anticipating a new Pentecost.

Then, we will be sent back home to our communities, on fire for Christ and ready for the Year of Mission ahead. Will you come to be anointed and commissioned?

Would you like to deepen your faith and let Jesus become more involved in your life? Let the Holy Spirit lead you on a Cursillo.

The Diocese of Crookston is offering a Men's Cursillo the weekend of October 26-29 at Mount St. Benedict in Crookston. Applications are available at: <https://crookstoncursillo.weebly.com/>

Lord, we pray for your loving support for the people listed below and their families as they deal with their illness. Enable their bodies to respond well to care/ treatment and their soul to experience comfort and peace in you. Make this an experience that draws them and their loved ones closer to you as well as to one another. We commit them to your mercy.
