There is an exciting opportunity to hear a profound Catholic priest speak on Tuesday, April 16th in Bemidji. This is an event especially designed for parishioners who are on pastoral or finance councils as well as for parishioners who are highly engaged with their parishes.

Fr. James Mallon, author of *Divine Renovation: Bringing your Parish from Maintenance to Mission* will be offering a session for parish lay leaders, staff, and deacons on Tuesday night, April 16th, at 7:00 pm at St. Philip's in Bemidji. Fr. Mallon will be meeting with our priests from Monday to Wednesday that week during their annual study days to share his approach that is internationally recognized for renewing parishes so Catholics move from a maintenance to a missionary mindset, and thus refocusing parishes "...from membership-based communities to assemblies of disciples of Jesus who proclaim and share the good news with all peoples." This is an important part of the roll out of our new pastoral plan for the diocese, which will be shared soon. The Tuesday evening, April 16 event will allow us to hear about the vision of parish renewal that the priests will be immersed in during their study days.

I hope that some of our parishioners can set aside that evening to attend! Make a date night of it! There is a wonderful Italian restaurant in Bemidji that I recommend.

"The community of believers was of one heart and mind, and no one claimed that any of his possessions was his own..." - Acts 4:32

All that we are and all that we have is a gift from God! Think of your family, your friends, your life, your talents and your money – these are all gifts from God! We aren't really owners of anything, we are merely "stewards" of the gifts God has blessed us with. We are called to be grateful and generous with all of our gifts for the benefit of others.

Liturgy of the Hours: Week II of the Psalter
Reflection on the Gospel

Teachers know there's always someone in a group who's willing to speak up when everybody else may be wondering the same thing but is afraid to ask. In today's gospel, it's Thomas who voices the doubts and fears with which others are also struggling. When Thomas make his acclamation of faith, Jesus affirms that there are two ways of blessedness; believing by having seen and believing without having seen, The crucial thing is to believe, for it is in faith that we have life.

The Rosary: A Special Way to Pray

Join Brother Francis in this entertaining and guidance-filled presentation that will inspire children to deepen their faith by praying the Rosary!

Why Catholics believe in "life everlasting"

The Catholic Church cares about every BODY. Think of relics and funerals—reverence for our bodies and the body's of holy people is part of being Catholic. But why? We find the answer at the end of the Creed: "I believe in the resurrection of the body and life everlasting." That's a pretty strong statement and it's founded on Jesus. Because Jesus rose from the dead, we can look forward to our own body's being raised at the end of time. Pretty cool, right?

Not Just a Legal Transaction | Lectio: Salvation | Episode 5

After the Fall, each person is born not only with the stain of sin on their soul but also with a fallen human nature. Thanks be to God that his gift of salvation not only frees us from Original Sin but also transforms us from the inside out, healing the root of our brokenness: our hearts. As we will see in this session, salvation is not simply a legal transaction by which we are declared righteous, but by the gift of God's Spirit we are actually made righteous.
