From the Desk of Fr. Hamness

The ways Mary is honored in May is as varied as the people who honor her. It's common for parishes have a daily recitation of the Rosary during May, and many erect a special May altar with a statue or picture of Mary as a reminder of Mary's month. Additionally, it's a long-standing tradition to crown the statue of Mary during May – a custom known as May Crowning. Often, the crown is made of beautiful blossoms representing Mary's beauty and virtue. It's also a reminder to the faithful to strive to imitate our Blessed Mother's virtue in our own lives. May Crowning, in some areas, is a huge celebration and is usually done outside of Mass, although Mass may be celebrated before or after the actual crowning.

But May altars and crownings aren't just "church" things. We can and should be doing the same in our homes. When we echo the customs and traditions of the Church in our homes – our domestic churches – we participate more fully in the life of the Church. If you haven't already, I encourage you to erect a prayer corner in your home. No matter how fancy or simple it is. The main point is that it's a place designated for God, and more specifically, for spending time with him. Just as you need proper atmosphere to sleep, you also need proper atmosphere to pray.

Sixth Sunday of Easter

**“ This is my commandment: love one another as I love you. No one has greater love than this, to lay down one’s life for one’s friend.”
John 15:12-13**

So you love Jesus? Do you consider Him your friend? Jesus says that if we love Him we would be willing to offer whatever we have to Him, not because we want praise and glory, but simply because we love Him. Does your giving seem mechanical out of obligation or do you share freely out of love?

Question of the week?

What sacrifice have I made this past week for someone I love? What sacrifice can I make this coming week? What sacrifice am I willing to make for someone I hardly know?

Prayer Requests:

The following people or their family has asked us to pray for them:

Lord, we pray for your loving support for the people listed below and their families as they deal with their illness. Guide the doctors who are seeking answers and making decisions about care/treatment. We pray that their illness is at a stage favorable for effective treatment. Enable their bodies to respond well to care/treatment and their souls to experience comfort and peace in you. Make this an experience that draws them and their loved ones closer to you as well as to one another. We commit then to your mercy.

Saint John of

Avila's Story

Born in the Castile region of Spain, John was sent at the age of 14 to the University of Salamanca to study law. He later moved to Alcala, where he studied philosophy and theology before his ordination as a diocesan priest. After John's parents died and left him as their sole heir to a considerable fortune, he distributed his money to the poor. In 1527, he traveled to Seville, hoping to become a missionary in Mexico. The archbishop of that city persuaded him to stay and spread the faith in Andalusia. During nine years of work there, he developed a reputation as an engaging preacher, a perceptive spiritual director, and a wise confessor. Because John was not afraid to denounce vice in high places, he was investigated by the Inquisition but was cleared in 1533. He later worked in Cordoba and then in Granada, where he organized the University of Baeza, the first of several colleges run by diocesan priests who dedicated themselves to teaching and giving spiritual direction to young people. He was friends with Saints Francis Borgia, Ignatius of Loyola, John of God, John of the Cross, Peter of Alcantara, and Teresa of Avila. John of Avila worked closely with members of the Society of Jesus and helped their growth within Spain and its colonies. John's mystical writings have been translated into several languages. He was beatified in 1894, canonized in 1970, and declared a doctor of the Church on October 7, 2012. St. John of Avila's liturgical feast is celebrated on May 10.
