Today's Gospel mentions the watches of the night. These aren't wristwatches with luminous dials that you can see in the dark. (Pause for laughter from my lame joke.) In ancient cultures the nighttime hours were divided into four separate watches, each three hours in length. The first watch was 6-9 pm. The second watch was 9 pm to midnight; the third watch was midnight to 3 am, and the fourth watch was 3-6 am. Originally this system would have developed as 4 separate shifts for the town guardsmen, so that no one would have to stay outside awake in the cold all night long. Eventually, this became the standard way of speaking about periods of time during the night. They didn't use specific hours because there was no way to know them precisely enough at night. A Sundial could give them more precise time during the day...but the moon was not a source of light bright enough or steady enough for there to be such a thing as a "moondial" at night. For those who needed to wake up at a specific time at night, they had candles with metal nails stuck into them. If they knew how far a candle would burn in the course of one hour, then they could calculate how far to down the length of the candle to insert the nail, so that the wax around the nail would melt and make the nail fall out of the candle and onto a metal plate, thus making a noise to wake them up. Now you know a little more about ancient time-keeping.

The Diocesan Annual Appeal (DAA) is our opportunity to come together as members of the body of Christ in the Diocese of Crookston to give the gift of hope, form disciples, and expand ministry that no one parish could fund on their own. When you contribute to the DAA: — You invest in the formation of a priest or deacon to baptize the next generation of leaders in the Church. — You equip a Catholic school teacher to help a student learn to read, prepare for First Holy Communion, or stay warm by providing mittens on a frigid day. — You ensure college students in Bemidji, Moorhead, or Crookston can meet a faithful friend to help them grow spiritually. — You allow parishes the opportunity to welcome Bob Noel, Deacon Mark Krejci, Bishop Cozzens, or others for an evening of faith formation, youth ministry, adoration, or healing. — You provide the homebound throughout the diocese the opportunity to receive a listening ear or the living presence of Jesus Christ in the Eucharist.

Every prayer and dollar help fulfill our mission, forming followers of Jesus Christ who love in tangible ways. When we all prayerfully respond together, we impact every corner of the Diocese of Crookston. Thank you for your generosity!

“For where your treasure is, there also will your heart be.”

LUKE 12:34

Jesus encourages us to build up our treasure in heaven.

The world encourages us to build up our treasure in real estate, investments, and material goods.

How much time are you investing in building up a worldly treasure? How much time are you investing in building up a heavenly treasure? To invest more in the things of heaven, you must let go of some of the things of this world.

This Week on Formed

Week of August 10, 2025

Life for Life: Maximilian Kolbe

After escaping from Auschwitz, a man hears the tragic news about ten random inmates sentenced by the Nazis to death as a punishment for his escape—one of whom is Fr. Maximilian Kolbe.

Clare and Francis

This outstanding movie is unique among films about St. Francis because of the historical accuracy of the story and its authentic spirit of joy and piety so characteristic of Francis, as well as the major role played by Clare. Both founded major religious orders, and together they inspired many to follow their radical call to live the Gospel.

The Assumption of Mary

The Assumption of Mary, body and soul in Heavenly glory, highlights the power of God and Christ's victory over sin and death for Mary's soul. Learn about this great mystery in Mysteries of the Rosary.
